[redacted]:The house is built on two floors. The ground floor consists of a large entrance patio that gives access to a large double-height hall. Guest toilet. Living room with two rooms and double dining room; all with access to large covered porches and outdoor dining area. Large 4,400 m2 garden surrounded by cork oaks and a pool with a pergola. Large office and kitchen with pantry, service patio and laundry area. Service room with bathroom and a double garage. The upper floor consists of 4 suites, all with en-suite bathrooms, TV room/study, all with access to large terraces and the garden. The large master bedroom has a spacious bathroom, dressing room and office with access to two terraces with views. Central heating and air conditioning in the 4 suites. Private security 24 hours. Surrounded by a cork oak forest and with 100% privacy. The house is built in a plot of land, of the two that make up the property, so there is the possibility of building another house if desired.
