[redacted]:Newly renovated duplex corner apartment with amazing sea and La Concha mountain views in Nueva Andalucía.

Tucked among pine trees, it’s peaceful but still close to golf, Puerto Banús, Marbella, and all the best restaurants and shops. As soon as you walk in, the panoramic Mediterranean views really steal the show. There’s also a private path to the property and great sheltered outdoor spaces so you can enjoy the Costa del Sol weather all year.

The apartment is split over two levels.
On the ground floor you’ll find a bright open-plan living and dining area with a modern fully equipped kitchen and brand-new appliances, plus floor-to-ceiling sliding doors opening onto a balcony with stunning views. There’s also a guest toilet.

Upstairs are three bedrooms and two bathrooms, including a master suite with access to a large terrace. In total, there are four terraces—perfect for sun or shade all day while enjoying the views.

Set in a gated community, the property includes a communal garden and pool. Sold fully furnished in a modern Scandinavian style, ready to move in.

The Costa del Sol market is moving fast, so if this fits what you’re looking for, get in touch soon.
