Overview: The house has recently been conditioned, offering a perfect balance between style, functionality and comfort. Upon access, we find a bright and cozy living room, an open space carefully furnished with sofa, table and television, which invites both rest and daily life. The kitchen, integrated in this environment, is fully equipped and designed to make the most of every corner, providing practicality without giving up the aesthetics. The bedroom offers a quiet and intimate environment, with a 1.50 bed with canapé and wardrobe, providing comfort and storage space in an environment designed for rest. The bathroom, complete and with excellent finishes, has a shower plate with screen and exterior window, which allows natural ventilation and light input, providing an unusual wellness plus. The house also has air conditioning, guaranteeing comfort throughout the year. It is part of a typical house kills, sharing the entrance and a nice patio with three other houses, which gives it an authentic character and a quiet environment, very representative of the traditional lifestyle of El Palo. Located just a few minutes walk from the beach and surrounded by shops, restaurants and transport, this apartment is an excellent opportunity for those looking to premiere home and enjoy the essence of Malaga in a care and personality environment.
