Overview: This spectacular house stands out for its luminosity, its pleasant views and the sense of peace that breathes in every corner. With 158 m² built, it offers a comfortable and versatile layout designed to enjoy it to the maximum.

It has a spacious living-dining room with access to a terrace, ideal for relaxing or sharing unique moments, fully equipped separate kitchen, courtesy toilet, two large bedrooms, an additional room perfect as a dressing room or office, and two full bathrooms.

One of its great attractions is its impressive attic, a unique space divided into three environments (rest area, sitting area and laundry area), with infinite possibilities: from a private area to a creative or family space.

It also has a parking space with direct access to the house, providing comfort and security in the day to day.

The urbanization offers a pleasant communal area with swimming pool, surrounded by gardens and wooded, perfect to disconnect without leaving home.
