Overview:Located in one of the most sought-after areas of Málaga, this magnificent apartment stands out for its perfect blend of comfort, modern design, and a strategic location—ideal both as a primary residence and as a high-quality investment.

The property has been fully renovated using premium materials and high-end finishes. It features a built area of approximately 90 m² indoors, thoughtfully arranged for maximum functionality. The night area offers two bedrooms, both designed with en-suite bathrooms to ensure complete privacy and comfort. Additionally, the home includes a practical guest toilet.

The heart of the home is a bright and welcoming space. The independent kitchen is generously sized, making it easy to accommodate a dining area for everyday use. Key technical features include ducted central air conditioning for year-round comfort, as well as high-end aluminum exterior joinery ensuring excellent thermal and acoustic insulation.

Without a doubt, one of the main highlights of the property is its spectacular terrace of approximately 36 m²—a private, versatile outdoor space perfect for enjoying the city's privileged climate, hosting outdoor meals, or creating a relaxation area. As an added benefit, the building includes a small private storage unit on the rooftop, ideal for extra storage.

Its location is unbeatable: situated just a 3-minute walk from the beach and a 10-minute stroll from the historic center, allowing you to enjoy coastal tranquility with all of Málaga's services, shops, and cultural life just steps away.
