[redacted]:Set within the sought-after community of Bahía del Velerín, ideally located between Marbella and Estepona, this fully refurbished apartment offers a bright and elegant coastal home with direct beach access.

The interior presents a well-balanced layout centred around a spacious open-plan living and dining area, seamlessly connected to a contemporary designer kitchen fitted with premium German appliances. Clean lines, high-quality flooring, and carefully considered finishes create a modern yet comfortable atmosphere throughout.

The beachfront setting allows for immediate access to the promenade and nearby chiringuitos, while golf courses, international schools, and restaurants are all within easy reach.
