Overview: This is one of those rare finds – a fully renovated townhouse right on the beach with sea views from almost every corner.

The house has 3 bedrooms and 3 bathrooms, plenty of space for family and friends, and the best part – lots of terraces. You've got a big front terrace, a sunny patio, and a private rooftop where the views are simply wow. Morning coffee, evening wine, all with the sound of the waves right in front of you.

The renovation has just recently finished, so everything feels fresh, modern and ready to enjoy.

The community of El Pirata is charming and truly beachfront – no roads, just the sand and the sea. You can walk straight out to the beach and enjoy local favorites like Sonora Beach, Bahia Beach and El Velero. A large supermarket is just 3 minutes' drive, Estepona town is less than 10 minutes away, and Marbella about 15 minutes.

If you're looking for a holiday home, a place to enjoy with family, or simply a spot to relax by the sea – this property has it all: space, terraces, and those unbeatable front-line sea views.
