Overview:3 bedrooms Townhouse with private pool - your calm spot between Finca Cortesin and Doña Julia

Between two of the coast's most iconic golf courses — Finca Cortesin and Doña Julia — sits this lovely home in one of the most peaceful corners of the area. A place golfers adore, and families choose for the calm, the birds, and that fresh countryside air.

On the main level you'll find two big bedrooms, each with its own bathroom. The master bedroom has a walk-in closet and a large private terrace with open views of the green hills, a bit of sea, and even part of the golf course. High ceilings, lots of light, and that instant feeling of comfort when you walk in.

Down the stairs, the house opens into a bright living room with a modern open kitchen — renovated with care and good taste by the current owners for themselves, not just to sell. From here you step out into your own patio with a pool, dining space, and BBQ area. It's perfect for lazy breakfasts, long lunches, and golden sunsets that never get old.

The lower level is another story — around 90 m² that work great for guests, family, or kids. There's a bedroom, bathroom, TV area, reading and office corners, a game table, laundry room, and plenty of storage. The owners even added special windows to bring in natural light, so it feels bright and cozy, not like a basement at all.

The community is also getting a nice update — fresh paint, and soon a new security gate to make it a gated complex.

You're just a few minutes from both golf courses, the beach (always clean and somehow feels private), and La Sal chiringuito — just go down Doña Julia street and you're there. Sabinillas and Estepona are also a short drive away.

A calm, genuine home that makes you feel good the moment you walk in.

If you're looking for a mix of golf, sun, and peace — this one might be the perfect match. Come see it for yourself!
