Overview: This exceptional 571 m2 corner semi-detached villa in Sierra Blanca the prestigious Meisho Hills development enjoys spectacular panoramic views towards Gibraltar and the coast of Morocco.

The property offers three spacious bedrooms, each with an en-suite bathroom, as well as a separate guest toilet. It has been fully decorated by renowned interior designer Pedro Peña and features high-quality, bespoke furniture throughout.

A magnificent rooftop terrace provides an ideal setting for entertaining and relaxation. It includes an outdoor kitchen, bar, lounge area, sunbed, storage room, shower as well as a fully equipped room with indoor kitchen.

The villa also benefits from its own private swimming pool and three private parking spaces together with huge storage.

Residents have exclusive access to an indoor communal swimming pool and fully equipped gym, shared privately by only eight property owners within the building. Residents have exclusive access to a communal swimming pool and a fully equipped gym, shared privately by only eight property owners within the building. In addition, the development offers two outdoor communal swimming pools for the exclusive use of residents.

Combining privacy, refined interiors, outstanding facilities and breathtaking views, this unique property offers an exceptional lifestyle in one of Marbella's most prestigious residential communities.

Meisho Hills is exclusive residential complex situated in the most prestigious zone of southern Spain - in Marbella, under Sierra Blanca Mountain, enjoying magnificent sea and mountain views.

The plot has 33.500 m2, and consists of 58 luxurious Apartment Villas divided in 6 typologies, from 350 to 850 m2, 2 to 4 bedrooms, all with suite bathrooms, spacious terraces and porches, private swimming pools, individual zen gardens, underground garages for 2 to 3 cars for each villa, wine cellars and private lifts.

The complex includes 3 SPAs with heated indoor pools, saunas, turkish baths, gym, 2 outdoor pools, gardens and 24 hour security.

The finest selection of materials is used throughout; combining wood, stone, marble, with modern conveniences, such as intelligent house system, under floor heating, centralized air conditioning, top of the range of fully equipped Italian kitchens etc.

The professional engagement on this project included main project, interior design, supervision of works, quality control and procurement for Tradeunique Holding - the investing company and the owner of the project.

The project won the 'Best Architecture Bentley Award' in London.
