Designed as the perfect retreat for weekend escapes and relaxed country living, the villa combines elegant contemporary comfort with warm Andalusian character.

The spacious home features 5 bedrooms and 5 bathrooms, with beautiful parquet flooring throughout and stunning beamed high ceilings in the main living areas, creating a bright and airy atmosphere. All bedrooms enjoy direct access to the gardens, allowing for a seamless connection between indoor and outdoor living.

The open-plan living room and kitchen are equipped with underfloor heating and cooling, while all bedrooms benefit from independent hot and cold air conditioning for year-round comfort. The property also holds an A-grade energy certificate and includes a 10 kW solar panel installation together with heat exchange pumps, delivering excellent energy efficiency and low operating costs.

Outside, the perfectly maintained mature gardens surround a beautiful 14 x 4 metre swimming pool with outdoor shower, creating a peaceful oasis ideal for entertaining or simply enjoying the surrounding nature. Electric entrance gates provide secure and convenient access.
