Overview: Set within the prestigious gated community of Monte Paraíso on Marbella's Golden Mile, this beautifully renovated duplex penthouse combines contemporary design, generous outdoor living and far-reaching views across the Mediterranean.

The property offers 157 m² of interior space complemented by 70 m² of terraces. The main floor is centred around a bright open-plan living and dining area, where large windows connect the interior with the main terrace. An outdoor kitchen creates an ideal setting for entertaining and enjoying Marbella's year-round climate.

Two en-suite guest bedrooms are situated on this level, while the upper floor is entirely dedicated to the master suite. With its vaulted ceilings, elegant bathroom and private terrace, this floor provides a particularly private retreat with impressive views towards the Mediterranean sea, La Concha, Gibraltar and, on clear days, the African coastline.

The renovation has given the penthouse a clean, modern character while incorporating features such as AirZone climate control, home automation, electric blinds, a bioethanol fireplace and underfloor heating in the bathrooms.

The property includes two underground parking spaces and a private storage room.

Monte Paraíso is known for its excellent facilities and beautifully maintained surroundings, offering 24-hour security, landscaped gardens, outdoor swimming pools, a heated indoor pool, gym, sauna, steam room and squash court, as well as a private bar and restaurant for residents.

Located just minutes from Puente Romano, the beach, Marbella town and Puerto Banús, this is an exceptional opportunity to acquire a turnkey penthouse in one of the Golden Mile's most established residential communities.
