Bedrooms: by request	Bathrooms: by request	M²: 176,203	Price: 16,950,000 €
Status: Sale	Property Type: Plot	Parking places: by request	Printing day : 25th August 2025

Overview:Presenting a unique opportunity to acquire a versatile plot of land that offers the freedom to develop a project tailored to your vision. While there is no specific building plan mandated, a proposed project envisions a modern apartment complex complemented by expansive communal areas, designed to foster a cohesive community environment. Imagine crafting a residential haven that takes full advantage of its breathtaking sea and mountain views, all while being just a short distance away from the beach. This idyllic location blends the tranquility of natural landscapes with the vibrancy of coastal living, creating the perfect setting for innovative design and unparalleled lifestyle experiences.
