Overview: Villa Sophia is an extraordinary contemporary estate offering grand scale living with uninterrupted sea, golf and La Concha mountain views from every room.

A spectacular main entrance opens into a 300 m² open-plan hall, designer kitchen, dining area and living room, all with soaring 3–6 m ceilings and seamless access to expansive terraces, a 20-meter infinity pool, hot pool and outdoor dining spaces.

The 130 m² master suite occupies its own elevated level, featuring a private terrace, outdoor shower, luxurious bathroom and a 35 m² walk-in wardrobe.

Five additional guest suites—each between 42–60 m²—offer private bathrooms, walk-in closets and direct access to terraces and pool areas.

The lower level delivers true resort living with a full spa (sauna, hammam, ice jacuzzi), professional gym, chill-out lounge and breathtaking views even from the wellness areas.

A private garage and covered parking for up to 6 cars complete this exceptional property.

Villa Sophia is a masterpiece of scale, design and serenity—crafted for those who demand the finest in Marbella living.
