Overview:The Ridge is a frontline golf villa in La Quinta, offering privacy, contemporary architecture and uninterrupted views across the golf course to the Mediterranean Sea. Set on a 1,009 m² plot, the home has been designed with clean architectural lines and a layout that creates a seamless connection between every space.

Inside, interiors by Aalto Exclusive Design bring together warm natural tones, premium materials and bespoke furnishings. The spacious open-plan living and dining area sits at the heart of the home, where floor-to-ceiling sliding doors open completely onto the terraces, allowing the views to become part of the living space. The designer kitchen, fitted with premium appliances, generous work surfaces and ample storage, flows naturally alongside the living areas, while outside an infinity pool, sunken lounge, outdoor dining area and fully equipped barbecue create an effortless extension of the home. The upper-level terraces continue the experience, offering more private spaces to enjoy the golf and sea views from the bedrooms.

The lower level has been designed with the same attention to detail, featuring a bespoke entertainment room with a bar, a private spa with an indoor pool and sauna, and a fully equipped gym. Completing the property is a secure garage with an electric vehicle charging point, bringing together thoughtful design, exceptional amenities and one of La Quinta's most sought-after frontline golf settings.
