Overview:CONTEMPORARY MASTERPIECE WITH PANORAMIC VIEWS IN EL HERROJO ALTO, LA QUINTA

Perched high above La Quinta in the exclusive gated community of El Herrojo Alto, this extraordinary 9-bedroom contemporary villa offers breathtaking panoramic views across the Mediterranean, Gibraltar, and the African coastline. Designed with architectural precision, the residence perfectly blends modern sophistication with natural materials, creating a warm and inviting atmosphere throughout.

The entrance is grand and serene, leading through a landscaped driveway to a strikingly modern façade. Inside, the double-height foyer is bathed in natural light from expansive floor-to-ceiling windows, framing spectacular views of the surrounding hills and sea.

The main level features elegant open-plan living spaces, including a stylish lounge with a central fireplace that separates the dining area from the contemporary kitchen. The outdoor kitchen and terraces expand the living area, creating ideal spaces for entertaining while enjoying the scenery. Two en-suite guest bedrooms on this level provide comfort and privacy.

The upper floor hosts three additional en-suite bedrooms, highlighted by a magnificent master suite of over 70 m². This private retreat includes a walk-in closet, a luxurious bathroom, and a private terrace with a jacuzzi overlooking the stunning landscape.

The lower level spans nearly 800 m² and is dedicated to leisure and wellness. It includes multiple lounges, a cinema room, playroom, fully equipped gym, and a private spa with an indoor pool and jacuzzi — all designed to maximize natural light and views.

Additional features include a home office, a garage for up to eight cars, and three more en-suite bedrooms — one with a private living area.
