Built Size: 314 m² (194 m² interior + 120 m² terraces)

Location: Oasis Club, Golden Mile (Marbella)
Property Description

Discover this exceptional townhouse in Oasis Club, one of the most exclusive and well-established gated beachfront communities on the Golden Mile. Recently renovated with a refined aesthetic inspired by the iconic Marbella Club, this residence seamlessly combines traditional Mediterranean charm with modern luxury and technology.
Layout and Living Spaces

Main Level: A bright, open-plan layout harmoniously connects the living room, dining area, and a bespoke social kitchen—featuring book-matched Palissandro stone and top-of-the-line Miele appliances. Floor-to-ceiling sliding glass doors open onto a private outdoor sanctuary complete with a heated swimming pool, summer kitchen, and dedicated lounge and dining areas. A guest suite with an en-suite bathroom and a guest toilet complete this floor.

Upper Level: Houses two additional bedroom suites, both boasting breathtaking panoramic sea views:

Master Suite: Offers an authentic Mediterranean feel, featuring a private en-suite bathroom and an elegant walk-in closet.

Second Suite: Opens onto a spacious terrace equipped with a lounge area and wet bar—the ultimate setting to enjoy Marbella’s legendary sunsets.

Key Features & Premium Finishes

Energy Efficiency: Water-based underfloor heating powered by Aerothermia (efficient, year-round climate control).

Smart Home Technology: Integrated home automation system and built-in Sonos sound system.

Exclusivity & Privacy: Secure gated community with direct private access to the promenade and beach.

Prime Location

Ideally situated in the heart of the Golden Mile, perfectly positioned between Puente Romano and Puerto Banús. Step directly onto the boardwalk to stroll to world-class fine dining, luxury beach clubs, and high-end amenities.
