Overview:Furnished two-bedroom penthouse in the heart of Fuengirola

Set on the top floor in the centre of Fuengirola, this furnished two-bedroom penthouse combines a calm, comfortable interior with the convenience of having the town and coastline within easy reach.

The living and dining area is arranged in an open and practical way, connecting naturally with the kitchen and creating an easy setting for everyday life. Soft neutral tones and plenty of natural light give the home a relaxed feel, while the two bedrooms provide flexibility for residents and guests alike.

The terrace is where the apartment really comes into its own. With open views across the rooftops towards the surrounding mountains, it creates a private outdoor space for morning coffee, long lunches or quiet evenings above the city.

Step outside and Fuengirola is immediately around you. The beach and promenade are a short walk away, while restaurants, cafés, shops, supermarkets and transport connections are all close at hand. The result is a simple and well-positioned home that makes enjoying Fuengirola remarkably easy, whether used throughout the year or as a place to escape to on the Costa del Sol.
