Overview: Farm located in the heart of the Strait of Gibraltar Natural Park. This is a 4,124 m² plot with two small houses of 54 m² and 34 m². The farm is registered and was inhabited until a few years ago. It is currently in need of renovation. The advantage of this property lie in its exceptional location overlooking the Strait of Gibraltar and the African coast, in an unparalleled setting. This is a unique opportunity. The Strait of Gibraltar Natural Park is a protected area, and few homes, like this one, have been legally built and are registered.
