Overview: A beautifully finished three-bedroom garden residence in Mirador de Estepona Hills, combining generous indoor-outdoor living with the services and facilities of a private resort. The property offers 166 m² built, including 136 m² of interior space, with three bedrooms and three bathrooms. The living area opens directly onto a 42 m² covered terrace and 153 m² of private garden, creating an unusually large outdoor extension of the home.

The interiors are warm, elegant and fully finished.

Set within one of Estepona's most complete gated communities, residents enjoy 24-hour security, swimming pools, gym, restaurant and café, tennis and padel facilities, together with beautifully maintained communal areas.

The property also benefits from a tourist rental licence, offering additional flexibility for owners who wish to combine private use with rental income.

A strong option for buyers looking for the comfort of a villa-style home, generous outdoor space and resort facilities, without the maintenance of a standalone villa.
