Overview:Set within a secure gated community in Benahavís, Finca Jasmine this villa combines privacy, open sea views and the ease of single-level living.

The villa is arranged so that the main living spaces and bedrooms all enjoy views towards the sea, with direct access to the garden and pool from the principal areas of the house. The layout feels practical, open and connected to the outdoors, which is exactly what makes one-level living so appealing.

The location offers a quieter residential setting while keeping San Pedro, Puerto Banús and Estepona within easy reach, as well as golf courses, schools and walking routes around Benahavís.

The community will also include a new clubhouse with an indoor swimming pool, spa, gym and coworking area, adding another layer of convenience for residents.

In addition to the main level, the property includes a generous basement level, giving the future owner extra space to adapt according to their needs.

The villa is sold unfurnished. On request, our team can take care of the full furnishing and interior setup, adapting the result to the client's style, requirements and budget (renders with the furniture AI generated)
