Printing day : 12th April  
2026

Overview: This contemporary 6-bedroom villa is located on a private plot of over 1,600 m<sup>2</sup> in the prestigious Guadalmina Alta area of Marbella.

With a built area of over 1,000 m<sup>2</sup>, the property combines striking modern architecture with practical living spaces and high-quality finishes throughout.

Clean lines, expansive glazing, and landscaped gardens give the villa an impressive and sophisticated presence with exceptional curb appeal.

The main floor is designed to create a seamless indoor-outdoor lifestyle. A spacious open-plan living and dining area connects directly to large terraces and the pool. Floor-to-ceiling windows maximize natural light and provide effortless access to outdoor dining and lounge areas.

The fully equipped designer kitchen, double-height ceilings, and thoughtful layout make the home ideal for both relaxed family living and stylish entertaining.

The property includes six well-proportioned bedrooms, including a master suite with a dressing room and a luxurious en-suite bathroom. A home office provides a dedicated workspace, while an entertainment level with a private gym, media room, and leisure areas adds flexibility for modern living.

Each space has been designed with comfort and functionality in mind, with premium materials and refined finishes throughout.

Outside, the villa features a private swimming pool, manicured lawns, and a variety of shaded and sunny terraces for dining and relaxation.

A secure gated entrance, ample parking, and integrated HVAC and lighting systems complete this turnkey residence.

Spacious, elegant, and ideally located, this property represents an excellent investment opportunity in one of the most desirable residential areas of the Costa del Sol.
