Overview: 580 m² plot in one of the most exclusive and established residential areas of Mijas. Located in La Sierrezuela, a peaceful and well-connected environment, this plot offers the perfect opportunity to build your dream home in the heart of the Costa del Sol. The terrain features a steep slope, making it ideal for architectural projects that integrate the house into the landscape through a multi-level or terraced design.

SPACE, LIGHT AND POSSIBILITIES

With an area of 580 m² and a rectangular shape, the plot has urban planning conditions that allow for the construction of a single-family home with a garden and private pool. Its wide 21-metre façade, elevated location and north-south orientation guarantee brightness and unobstructed views, creating an ideal environment to enjoy Mediterranean life all year round.
