Overview: An exceptional architectural masterpiece designed by Tobal, located within the exclusive gated community of The Hills, this remarkable villa offers absolute privacy and breathtaking panoramic views over the Mediterranean coastline. Positioned at the end of the development on an expansive plot of more than 1,700 m², the property represents the highest expression of modern luxury, where innovative design meets the tranquillity of its natural surroundings.

Every element of the residence has been carefully conceived, from its open-plan interiors to the elegant outdoor living spaces designed for both comfort and sophistication. Large floor-to-ceiling windows frame spectacular views while flooding the interiors with natural light, creating a seamless connection between architecture and landscape.

The interiors, curated by Aalto Exclusive Design, combine neutral tones with carefully selected vibrant accents, creating an atmosphere of refined elegance and warmth.

The ground floor features four beautifully appointed bedrooms, including an impressive master suite with a walk-in wardrobe and a luxurious en-suite bathroom. The lower level is dedicated to wellness and entertainment, offering a fully equipped gym, spa area, and a leisure space complete with a billiard table, poker table, and private home cinema.

The exterior areas are equally remarkable, with a meticulously landscaped garden, a private swimming pool, and a jacuzzi designed for complete relaxation. These outdoor spaces have been thoughtfully arranged to ensure privacy while maintaining a natural extension of the interior living environment, offering the ideal setting to enjoy the Mediterranean lifestyle.

Conveniently located in Benahavís, the villa enjoys easy access to San Pedro de Alcántara, Puerto Banús, and Nueva Andalucía, making it an exceptional retreat for those seeking luxury, privacy, and convenience.
