[redacted]:The house is distributed on several floors and stands out for its breadth, luminosity and excellent distribution. It has six bedrooms, four bathrooms and a toilet, making it an ideal choice for large families or for those looking for space and comfort.
On the main floor we find a spacious living-dining room with direct access to a pleasant terrace, ideal for outdoor meals or relaxing moments. The kitchen is independent, has been recently renovated and has a functional and modern design, designed for the day to day.
The master bedroom is a true private suite, with en suite bathroom, dressing room and access to a terrace, providing independence and comfort. The rest of the bedrooms are spacious and versatile, suitable as bedrooms, office or guest room.
The house is completed with one last floor abuhardillada, a polyvalent space ideal as a leisure area, study or gym. In addition, it has two parking spaces, providing comfort and security.
An exceptional property for location, size and performance, perfect for those looking for quality of life in a privileged environment.
