■■■■■■■■■:This renovated and redecorated house, inspired by various travels around the world, exudes a sense of well-being and fulfillment.

Located on a 570m² plot, it offers nearly 300m² of living space and is laid out as follows:

You enter the spacious living room, with a view and direct access to the private pool. Also located on this level are three bedrooms and a bathroom.

In the garden, you benefit from the pool area as well as several sunny or shaded spots, as you prefer depending on the season. At the rear of the house is also a small haven of peace with a fountain that will lull you to the sound of running water...

Upstairs, you will find the other two bedrooms and a bathroom. The very spacious master bedroom has access to a south-facing terrace of over 60m², with views of the golf course, the sea, and the pool.

Located on the front line of the golf course, it is obviously an ideal retreat for golfers, but also for anyone seeking a peaceful retreat, whether for holidays or longer stays!

Finally, its location close to Estepona Town gives it easy access to all the necessary services, such as supermarkets, restaurants, or the beach stretching from La Chullera to Estepona, via La Duquesa or Casares.

Don't delay in visiting it to feel all its good vibes; you won't want to leave!
