Located within a secure community with 24-hour security and surveillance cameras, this property offers privacy, tranquillity and a privileged location just minutes from the beach.

The villa, with its classic style and very well-maintained condition, is distributed over several levels and comprises 5 bedrooms and 5 bathrooms, offering spacious interiors and a comfortable, functional layout. The property retains the charm and character of a traditional villa while also offering excellent potential for refurbishment and modernisation, allowing the new owner to adapt the home to a more contemporary and personalised style.

The main floor features a spacious entrance hall leading to a generous living and dining area, a fully fitted kitchen and a practical separate utility room. The living room, dining area and kitchen all have direct access to the gardens, creating a wonderful connection between the indoor and outdoor spaces.

On the mezzanine level, there is one of the villa's generously sized bedrooms, complete with a walk-in wardrobe and en-suite bathroom, providing a private and comfortable retreat.

The upper floor comprises three further bedrooms. Two of the bedrooms share a bathroom, while the spacious principal bedroom benefits from a large walk-in wardrobe and an en-suite bathroom.
