

■■■■■■■■■■: This penthouse stands out for its large private rooftop solarium of approximately 80 m², offering open panoramic views over the surrounding landscape and towards the coastline. An exceptional outdoor space, ideal for creating different lounge, dining or relaxation areas while enjoying the Mediterranean climate of the Costa del Sol.

The apartment offers a comfortable and well-balanced layout. Upon entering, a bright living room opens onto the main terrace, from which a staircase leads to the upper rooftop solarium. The kitchen is independent and fully equipped, conveniently located next to the living area.

The sleeping area comprises two bedrooms and two bathrooms, including a master bedroom with en-suite bathroom.

The property is part of a well-maintained gated community with communal gardens and swimming pool, surrounded by several golf courses.

Located in Casares Costa, just a short drive from the beach, La Duquesa marina and all essential amenities, this penthouse represents an excellent option both as a holiday home and as an investment property on the Costa del Sol.

Properties with private rooftop terraces and open views in this price range are increasingly sought after by international buyers looking to enjoy the Mediterranean lifestyle or generate rental income.

An attractive opportunity in one of the most promising areas of the western Costa del Sol.
