Real de La Quinta is a new destination taking shape in the hills of Benahavís, set to become one of the Costa del Sol's most exciting residential resorts.

At the heart of the development is *El Lago Club*, a 35,000 m² private lake with a sandy beach, non-motorised water sports, golf, tennis and paddle, complemented by a full wellness club and lakeside dining.

The resort will also feature a 5*-star Banyan Tree hotel.

This four-bedroom residence corner unit in *Palmitos* offers 182 m² of built space and a 66 m² south-facing terrace. The property enjoys panoramic views extending across the Mediterranean, coastline, lake, mountains and golf course, creating a connection with the surrounding landscape.

The residence features 4 bedrooms, 2 bathrooms and a guest toilet, with contemporary interiors and a high level of comfort throughout. A fully fitted kitchen, air conditioning, double glazing, electric blinds and fitted wardrobes are complemented by 2 private parking spaces.

Residents also benefit from beautifully landscaped gardens, outdoor and indoor swimming pools, a gym and spa, as well as 24-hour security and controlled access all within the community.

A rare opportunity to combine modern living, exceptional views and the unique lifestyle offered by one of the Costa del Sol's most exciting new resort destinations.
