[redacted]:Set beside the prestigious Finca Cortesin golf course, this exquisite villa offers an exceptional opportunity to experience the most refined Mediterranean lifestyle within one of southern Spain’s most exclusive resorts. Positioned frontline to the fairways, the residence enjoys sweeping views across the golf course and out toward the Mediterranean Sea, creating an atmosphere of serenity and exclusivity.

Designed by renowned architect Miguel Olazabal, the villa reflects a sophisticated contemporary vision where architectural precision and luxury coexist effortlessly. Set on an expansive private plot, the arrival experience is defined by a striking entrance framed by a decorative lake and meticulously landscaped gardens, establishing an immediate sense of distinction.

Distributed across two elegant levels, the villa has been thoughtfully arranged to maximize comfort and privacy. Four bedrooms are located on the upper floor, while an additional guest bedroom on the ground floor offers convenience and flexibility.

Inside, the interiors reveal a calm and elegant aesthetic, with soft neutral tones, refined wooden accents, and carefully selected materials that create harmony throughout the residence. The ground floor features a beautifully appointed kitchen equipped with Gaggenau appliances, seamlessly connected to the living area through expansive sliding glass doors that dissolve the boundary between indoor and outdoor living.

The landscaped gardens extend naturally from the interiors, forming a private green oasis that enhances the villa’s tranquil atmosphere. A serene swimming pool becomes the centerpiece of the outdoor space, surrounded by generous terraces designed for al fresco dining, relaxation, and entertaining throughout the year.

With its privileged frontline golf position, panoramic Mediterranean views, and distinguished architectural design, this remarkable residence captures the essence of exclusive resort living at Finca Cortesin — where privacy, elegance, and lifestyle come together effortlessly.
