[redacted]:Magnificent home with frontal views of the sea!.

Living on the beachfront is a true luxury and with this home you have it at your fingertips. We present this magnificent apartment located in the heart of Estepona, on the first line, with direct access to the beach and the restaurant and shopping areas of the center of Estepona.

The house is located on the third floor of a building of little antiquity. It is divided into living room, kitchen, 3 bedrooms and 2 bathrooms. From the same living room there is access to a terrace that offers magnificent frontal views over the sea and the Estepona promenade. The apartment has a laundry area in the kitchen itself. Of the 3 bedrooms, two of them are exterior, also having built-in wardrobes.

It has the possibility of segregation into two homes, which makes it a very good investment.

Finally, there is nothing better than having the beach just 2 steps away. Fantastic location, with access to all services such as restaurants, supermarkets,.... in the very center of Estepona and with the tranquility it offers. The best apartment with frontal views in Estepona can now be yours!
