■■■■■■■■■■: Set within an exclusive frontline golf complex in Nueva Andalucía, this corner townhouse combines generous living space with sea and mountain views. Shops, schools, transport links and the town centre are all within easy reach.

The home has a modern feel designed to make the most of natural light and its outdoor spaces. The entrance level features a spacious living and dining area, a fully equipped open-plan kitchen, a separate laundry room and a guest toilet. A large south-facing terrace offers panoramic views across the sea and mountains.

On the lower level are three spacious bedrooms, each with direct access to a private terrace leading towards the communal gardens. One bedroom has an en-suite bathroom, while the other two share a further bathroom.

The townhouse offers 210 m² built plus 50 m² of terraces. Residents also have access to landscaped communal gardens, a swimming pool and communal parking.

Presented in excellent condition and ready to move into, it would make an appealing permanent home or a place to enjoy the Costa del Sol throughout the year.
