[redacted]:A charming Andalusian-style villa set frontline to the golf course in La Cala Golf, overlooking the America Course at hole 10. The property sits on a generous plot with a beautifully landscaped garden and an elegant infinity pool, offering uninterrupted golf views and sunshine throughout the day.

The villa features four spacious bedrooms, each with its own en-suite bathroom, along with a bright and expansive living room and a separate, fully equipped kitchen. There is also a carport with space for two or more vehicles.

Located in a very quiet and private area, the home has been designed by the renowned architects Gonzalez & Jacobsen. It is distributed over two levels, both enjoying stunning golf views. High ceilings enhance the sense of space and light, while underfloor heating throughout ensures year-round comfort. Built to a high standard and very well maintained, this villa perfectly combines quality, elegance, and tranquillity.

Set within the prestigious La Cala Golf Resort—one of the largest golf complexes in Southern Europe—the property benefits from access to three championship golf courses, a luxury spa, fine dining, and a clubhouse, all surrounded by the natural beauty of the Mijas countryside and just a short drive from the coast.

The seller is highly motivated, presenting an excellent opportunity for buyers seeking a refined golf-front lifestyle in one of the Costa del Sol's most sought-after resort communities. As an added benefit, the sale includes one year of membership at La Cala Golf Resort, allowing the new owner to fully enjoy the resort's outstanding facilities and exclusive privileges from day one.
