

■■■■■■■■■■: An exclusive collection of luxury villas in Elviria, where timeless Andalusian architecture meets contemporary Mediterranean living.

Surrounded by pine-covered hills and just minutes from some of the finest beaches on the Costa del Sol, Verdana offers privacy, natural beauty, and exceptional convenience. Marbella centre is only ten minutes away, with international schools, golf courses, beach clubs, and Malaga Airport all within easy reach.

Each villa is thoughtfully designed with elegant white façades, natural stone details, and expansive windows that flood the interiors with natural light. Open-plan living areas flow seamlessly onto generous terraces, landscaped gardens, and private infinity pools, creating the perfect indoor-outdoor lifestyle.

Master suites feature spa-inspired bathrooms and dressing areas, while high-quality finishes, private gyms, and energy-efficient features such as solar panels and EV charging ensure modern comfort.

This project offers refined, sustainable luxury in one of Marbella East's most desirable residential settings—ideal as a permanent home or an exclusive holiday retreat.
