■■■■■■■■■■:Galaxia 31 is a new-build development of 6 homes in Puerto de la Torre, Málaga, at Calle Argamasilla de Calatrava 11, sold under Spain's cooperative housing model: real construction cost, no external developer margin, reduced 10% VAT, and building license already granted.

First-floor studio with its own balcony. The open-plan layout combines living room, kitchen and sleeping area, with the balcony as an outdoor extension. Open and efficient layout. Double Climalit glazing, reinforced thermal and acoustic insulation, and a lacquered armored entrance door.
